FOLD

cdlabelgen 4.1.0 © 2001–2008 Avinash Chopde <avinash@aczoom.com>

home page: <http://www.aczoom.com/tools/cdinsert/>

Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.
4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title "tab", on the tray insert, is for CD case with a transparent tray. Remove this "tab" if the CD case has an opaque tray.
6. Fold the left and right long narrow title "tabs" to a 90 degree angle, away from the main tray cover portion. If the right-most "tab" is retained for a transparent tray, fold that "tab" 90 degrees again, away from the title "tab" next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.
10. Please appropriately discard this portion and the scrap bits of paper.

Let 'em Breathe Space

Lester del Rey

Let'em Breathe Space

The old space freighter Wahoo is all Dr. Pietro can afford for his expedition to the rings of Saturn. Although built for a crew of 6 the good doctor crams 19 people into the Wahoo, and after 5 months they are really getting on each other's nerves. Then someone starts killing people and poisoning the air-giving plants in the hydroponics bay. Can our hero Paul Tremaine find the killer before he suffocates? Perhaps you should hold your breath. –

Let'em Breathe Space was first published in the July 1953 edition of Space Science Fiction magazine. (Summary by Gregg Margarite)
